

Jigsaw Sort

Jigsaw Puzzle Case

Jigsaw Puzzle Case

This was the first product developed by Jigthings and as a puzzle management system it is now treasured by puzzle connoisseurs all over the world. Packs away a part-completed jigsaw in less than a minute.

Each Jigsaw Sort comprises a stylish outer case, removable Jigboard and Sort Trays for loose pieces. Three different sizes to fit most puzzles of 500 pieces, 1000 pieces and 1500 pieces.

Jigframe

Jigsaw Puzzle Frame

This simple system enables you to frame completed puzzles in beautiful wooden picture frames. It only takes a couple of minutes and no glue is required.

Of all our jigsaw puzzle accessories, these are probably the item that people think of as the most ingenious.

We make frames in both light wood and dark wood but it is very important to get the right size. Please see our website for full details.

Jigsafe

Jigsaw Puzzle Sorters

Jigsaw Puzzle Sorters

You know how it is that you never have enough space in which to keep all your unassembled pieces?

Well, Jigsafe will solve the problem for you once and for all. Up to 1000 pieces can be kept constantly the right way up, neat, safe and tidy. The 7 different boxes stack whilst you are working on a puzzle and then nest together for storage. Pop the lid on and your puzzle pieces are as safe as houses. One size only.

Jigstore

Storage for Completed Puzzles

A “must-have” accessory for jigsaw fans, fanatics and aficionados. Never again will you have the heart-breaking job of breaking-up a finished puzzle.

Each Jigstore comes with a sturdy outer box and 10 cardboard dividers that allow you to create a “jigsaw sandwich” for 10 jigsaws.

Each puzzle can be up to 1,000 pieces and they will be kept snug and secure for evermore. One size only.
